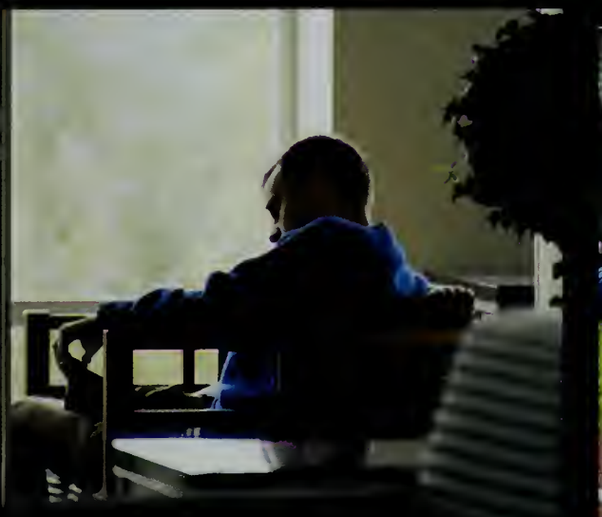
The BATES COLLEGE Mirror

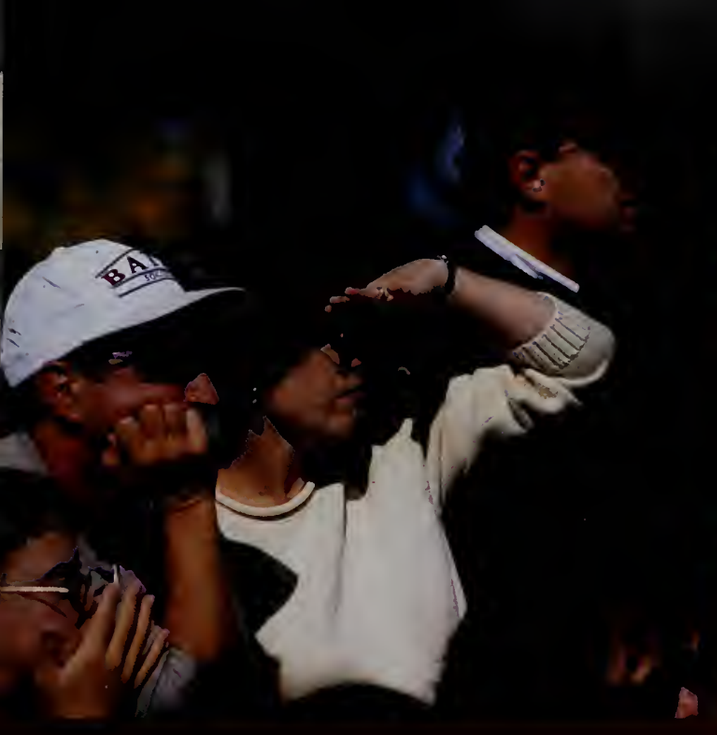
BATES



Celebrate Bates!

ALUMNI AND PARENTS WEEKEND

The combination of alumni and parents weekends successfully brought together the two groups in the beauty of fall in Maine. The celebration was highlighted by the dedication ceremony of Pettengill Hall, and also included well attended sporting events, academic symposiums, and musical performances.



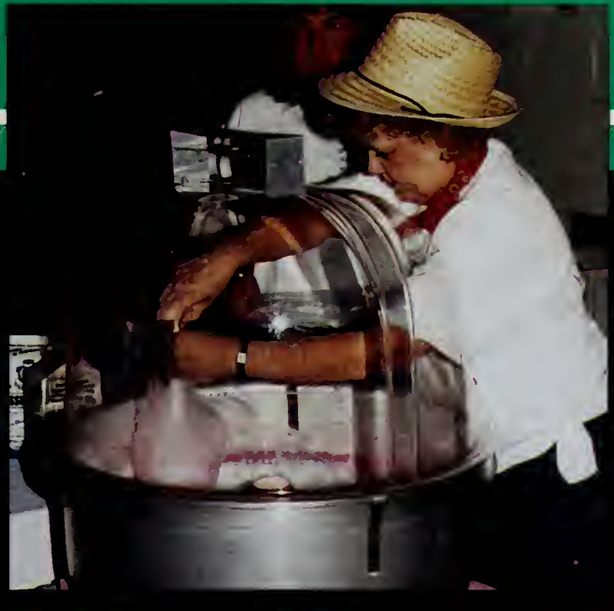
1999

Halloween

All sorts of witches, creatures, superheroes, and celebrities turned out for this year's Halloween party. Hosted by CHC, the annual video dance party was once again one of the most well attended and festive campus events, as students dressed to impress for the costume competition and fun in the Gray Cage.

Harvest Dinner

Bates Dining once again put together an outstanding Thanksgiving meal for this year's Harvest Dinner. Students, faculty, and staff enjoyed food, music, ice sculptures and other decorations in Commons before heading over to the Gray Cage for dessert treats.



Winter Carnival

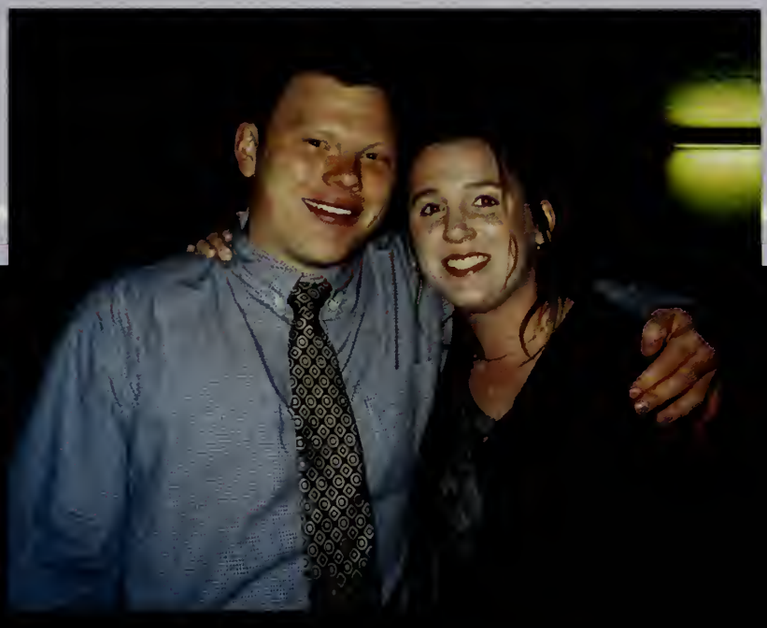
BATES UNDER THE BIG TOP

This year's winter carnival brought some circus-style fun to Bates. The festivities began with a themed dinner at Commons followed by snacks, carnival booths, an inflatable obstacle course and other games in the Gray Cage. Students could warm up in a giant hot tub, or participate in more traditional outdoor activities: ice skating, a puddle jump, snow sculpting, and winter olympics by Mount David. A comedian, coffeehouse featuring many student performers, and semi-formal dance rounded out the evening activiites.

All-College Gala

DIAMONDS ARE FOREVER . . .

The 10th annual All-College Gala, sponsored by the Office of the President, remained true to theme as students, faculty, and staff enjoyed an evening of glittering entertainment, food, and fun. Toby Foyeh and Orchestra Africa made Alumni Gymnasium come alive, while The Louisiana Repertory Jazz Ensemble of New Orleans set the scene for more traditional dancing in the Gray Cage. The delicious food and glamorous decorations and dress of those in atttendance completed the atmosphere on this special evening.



Short Term 2000

Short Term 2000 was marked by a few too many indoor barbeques and the annual lobster bake inside Commons as seemingly constant rain put a halt to many outdoor activities. Despite the weather, though, students were able to enjoy the five weeks of more relaxed class schedules and the few warm, sunny days were used to full advantage for games of frisbee and whiffle ball, trips to the beach, or just hanging out by the puddle.

Lacrosse had a solid season finishing 9-7 overall. Although they had difficulty when it came to NESCAC teams the Bobcats were a force in New England. Senior D'Addario set a new record in goal scoring. Senior co-captain Pillsbury also did an outstanding job on defense. The team will have to cope with the loss of the strong senior class next year.

The Softball team had an effective season, earning a 14-10 record which included splits with both Colby and Bowdoin for the first time in ten years. All NESCAC honors went to Krissie Whiting, Teresa Janisch, and senior captain Shannon Browher. The latter two players also earned All-New England rankings. With a new field and continued spirit next year there's no telling what this team will do.

Baseball put in a strong effort this season, keeping most games close but only managing seven victories. Despite the tough season, senior Jason Coulie led the team in numerous offensive categories and was a repeat selection for second-team all-NESCAC. With many seniors graduating this year it may be a time of rebuilding for the Bobcats.

The Bobcats started the spring season ranked 8th in the east region and managed to improve upon that ranking with a 9-2 regular season record. The team;s strongest performance came with a wnd place finish at NESCACs beating 3 teams ranked ahead of them. This combined with their regular season record gained the Bobcats their second ever bid at the NCAA tournament

The women's spring track team put in a solid showing for the 2000 season qualifying an exceptional number of athletes for postseason meets and doubling our point scores from the previous season. First year runner Abby Anthony earned an All American honor. It was the start of a comeback for the team, and we hope this season will serve as the beginning of a run of strong years at Bates.

An amazing team indeed. Their accomplishments this season were highlighted by the first ever NESCAC Championship and the highest finish at the NCAA's ever where Bates was by far the strongest team from the east. All American honors went to Adams, Twiest, Danahy, and Easter; Zwick also competed, but narrowly missed making finals. The deep senior class had much to do with the team's success. Through it all, the Bobcats showed poise and perserverance to become a force that will rank among the best teams at Bates for many years to come.

THE MIRROR

The 2000 Mirror was a step in a new direction. With a new staff of editors taking charge we aimed to do some things differently. The two of us put in many a long night of work in the office to complete this book. We would like to take this opportunity to thank all of those who helped us out this year:

Ken Murphy and Portrait Imaging Company for helping us with senior portraits and candids taken throughout the year, the Jostens crew for publishing this whole thing, Cole Harris for showing us the ropes and trying to help us improve the book every year, and our previous editor, Jessica Kremen-Kotlen, who left us detailed instructions and was always willing to answer our questions.

Many people at Bates contributed as well. Thanks to: Adam Levin and the College Relations staff for giving us team sports pictures, the athletic captains for writing blurbs about their team's season, the seniors for filling our candid pages with their treasured memories of the last four years at Bates, and Gene Clough for advising us on our transition as editors.

Gratitude also goes out to our treasured staff, who remained patient and ready to give us a hand: Ian, Kristen, Sarah, and Sarah. A special thanks to our photo editors, Allyson and Suzy, who went out on and arranged assignments with last-minute notice, as well as our photographers Jenn, Dave, Megan, and Ellie. Asad very generously lent us all of his extra photos from *The Student* , allowing us to finish our sports and candid sections. We really could not have completed the book without all of you.

A lot of time and energy has gone into this book. We hope we have captured memorable moments from this past year and of the senior class.

-Albert and Megan
